WpfApp1 - Microsoft Visual Studio
Visual Studio Installer
We'll install the frameworks, SDKs, and tools that you'll need. You can add more later using the Visual Studio Installer.
Individual components
Data sources for SQL Server support
Total space required 387 MB
Download size 78 MB
By continuing, you agree to the license for the Visual Studio edition you selected. We also offer the ability to download other software with Visual Studio. This software is licensed separately, as set out in the 3rd Party Notices or in its accompanying license. By continuing, you also agree to those licenses.
Visual Studio will close automatically.
